The Historic Names Return: *Alpha Microsystems and alphamicro.com*

Dear Alpha Micro Dealer:

We are pleased to inform you that Alpha Micro Products has acquired the trademarks for all relevant "Alpha Micro" related names.

As part of this process, we have changed the company name back to "Alpha Microsystems, Inc." Our proud original name will be phased in over the next several months. We are retaining the name "Alpha Micro Products" as well, for the sake of continuity.

Reach Us At alphamicro.com

At long last, *alphamicro.com* is once again the Web home for the AMOS product line. Your e-mails may now be sent to person@alphamicro.com. We are retaining the domain names *alphamicroproducts.com* and *amos-online.com* for continuity, as well.

AMSO

We have also acquired the name "AMSO" for "Alpha Microsystems Service Operations." Stay tuned, we will soon be making an important announcement concerning new field service programs.

A Proud History and a Proud Name

As Alpha Micro enters its 27th year, it is only fitting that we are able to operate once again under the historic, well-known name of Alpha Microsystems. We look forward to offering you many innovative future products under this venerable brand name.

Sincerely,

A handwritten signature in black ink that reads "Alex Begin".
